Resident Activities

In response to CDC guidance regarding COVID-19, our community will not be sponsoring resident activities until further notice. To help limit the spread of this disease, please remember to wash your hands with soap and water often, and avoid touching your eyes, nose, and mouth. A great source for further information is cdc.gov (Centers for Disease Control and Protection). We appreciate your cooperation and consideration as we face this highly unusual situation together.

Resident Referrals

Refer your Family, Friends, and Co-Workers to live at Pointe 400 Luxury Apartments and you will receive up to \$750 for 6-11 month lease or \$1,000 for 12+ month lease off of one month's rent. Stop by our office for details.

December & Christmas Facts

- The term Yuletide comes from a Norse tradition of cutting and burning a tree to bring in the Winter Solstice. This was to last through 12 days – later known as the 12 days of Christmas.
- An almanac prediction states that if snow falls on Christmas Day, Easter will be warm, green and sunny.
- The first artificial Christmas tree was made in Germany, fashioned out of goose feathers that are dyed green!
- Spiders and spider webs are considered good luck on Christmas.
- December 28th is considered by some to be the unluckiest day of the year.
- In 1647 Oliver Cromwell, English Puritan Leader, banned the festivities of Christmas for being seen as immoral on such a holy day. Anyone who was seen celebrating was arrested! The ban was lifted in 1660.
