JULY

As the second month of Summer, July is, on average, the warmest month of the year in the northern hemisphere.

July isn't just the month for Independence Day, though. There are plenty of other great holidays observed around the world! July 2nd is World UFO Day, while July 3rd is Stay out of the Sun Day. In the US, July 6th is a pretty delicious day, as it's National Fried Chicken Day! At the end of the month, we also have International Tiger Day on July 29th.
