## Resident Activities

In response to CDC guidance regarding COVID-19, our community will not be sponsoring resident activities until further notice. To help limit the spread of this disease, please remember to wash your hands with soap and water often, and avoid touching your eyes, nose, and mouth. A great source for further information is [cdc.gov](http://cdc.gov) (Centers for Disease Control and Protection). We appreciate your cooperation and consideration as we face this highly unusual situation together.

## MAY

Blue jeans were official invented in May of 1873 after Levi Strauss and Jacob Davis obtained a patent for the pants on May 20th.

The month May was named for Maia, the Greek goddess of fertility.

In any given year, no month ever begins or ends on the same day of the week as May does.
