## Resident Activities

In response to CDC guidance regarding COVID-19, our community will not be sponsoring resident activities until further notice. To help limit the spread of this disease, please remember to wash your hands with soap and water often, and avoid touching your eyes, nose, and mouth. A great source for further information is [cdc.gov](http://cdc.gov) (Centers for Disease Control and Protection). We appreciate your cooperation and consideration as we face this highly unusual situation together.

## Resident Referrals

Refer your Family, Friends, and Co-Workers to live at Pointe 400 Luxury Apartments and you will receive up to \$750 for 6-11 month lease or \$1,000 for 12+ month lease off of one month's rent. Stop by our office for details.

## Presidential Facts

- Andrew Jackson: Had a giant block of cheese — which weighed 1,400 pounds — that he kept in the White House. He let the public eat the block of cheddar after his time in office was done.
- Lincoln: In the Wrestling Hall of Fame because of his skills in the ring. As a young man, he only lost one match out of the 300 he participated in.
- Ulysses S. Grant: The “S” in his name is actually a result of a clerical error when he was nominated to attend West Point. Though he tried to shake it, it stuck.
- Gerald Ford: He was the only politician to serve as both president and vice president without actually being elected to either office.
- Bill Clinton has won two Grammys. The first for the album “Prokofiev: Peter and the Wolf/Beintus: Wolf Tracks,” and the second for the reading of his autobiography, “My Life.”
